2. Each *Creek Crew* must have at least one (1) participating adult supervisor who is twenty-one (21) years or older. Individuals aged 5 years through 17 years can participate in Creek Week events if properly supervised by adults, knowing that ***Creek Crews must provide at least one twenty-one (21) year old adult per four (4) children under the age of eighteen (18). Close, one-on-one adult supervision is required for children under the age of 8 at all times.*** Individuals between the ages of eighteen (18) and twenty (20) may participate without the supervision of a twenty-one (21) year old, but must work in groups of at least two (2).

The *Crew Leader* shall review the Safety Guidelines at a briefing directly before the start of any cleanup, and a safety video is on the Creek Week website. Each *Crew* member must sign the Risk and Release Form before starting any work.
5. The *Crew Leader* must pick up supplies provided by the District beginning September 19th at a Designated Staging Location. 8. The *Creek Crew* acknowledges that its members, while performing activities in connection with this agreement, are not employees or volunteers of the District. Accordingly, such members shall not be covered by workers compensation or benefits, including but not limited to health insurance, pension benefits, or vacations by the District.
9. The *Creek Crew* is responsible for the pick-up of all trash and debris in their designated area. The volunteers must place the trash at pre-designated place(s) assigned by the Registration Coordinator.
